

Help Completing Your Online Membership Existing Members

Login using the password you set up last year. Once in your membership record it will have saved your previous membership details. Check your details are correct, change anything not correct and then you will be prompted to PAY NOW. Click on this button and enter your card details and then confirm.

For any issues please email: enquiries@heriotsrugbyclub.co.uk

Forgotten Password

If you can't remember the password you set up previously then click on the "Forgotten Password" link you will then be prompted to enter your email address and the system will email you a Password Reset Link. Please check your spam/junk folder in case the link has gone here. Please note that links will only remain valid for a short time.

If when you enter your email, you get the message "Forgot Password – Failed to Locate User" either you have entered your email address incorrectly or a current membership is not held for that email address. If it is that there is not a membership set up for that email address, please follow the New Members instructions by registering with that email address, pressing SAVE MAIN CONTACT and then Login again.
